

# JEYA SURYA B

Software Engineer | Full Stack Web Developer

Alangulam, Tenkasi, Tamil Nadu, India | +91 6379558565 | suryasivalai04@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

## PROFESSIONAL SUMMARY

Computer Science and Engineering graduate (2026) with hands-on experience in Full Stack Web Development, AI-powered web applications, and cloud deployment. Proficient in JavaScript, Python, React.js, Next.js, Node.js, Express.js, MongoDB, MySQL, Firebase, HTML5, CSS3, and Tailwind CSS. Skilled in developing responsive web applications, RESTful APIs, secure authentication, database management, and deploying applications using Vercel, Render, and Netlify. Strong foundation in Data Structures, Algorithms, Object-Oriented Programming (OOP), DBMS, Operating Systems, Computer Networks, and SDLC. Passionate about building scalable software solutions and seeking a Software Engineer / Assistant System Engineer role to contribute to innovative development teams.

## TECHNICAL SKILLS

**Programming Languages:** JavaScript, Python, HTML5, CSS3

**Frontend Development:** React.js, Next.js, Responsive Web Design

**Backend Development:** Node.js, Express.js, Flask, REST API Design

**Databases:** MongoDB, MySQL, Firebase Firestore

**Authentication & Security:** Firebase Authentication, JWT Authentication

**Cloud & Deployment:** Vercel, Render, Netlify, Firebase Hosting

**Developer Tools:** Git, GitHub, VS Code, Postman, npm

**Core Computer Science Concepts:** Data Structures, Algorithms, Object-Oriented Programming (OOP), DBMS, Operating Systems, Computer Networks, SDLC, Version Control, SEO

**Additional Skills:** RESTful APIs, CRUD Operations, API Integration, JSON, Responsive Design, SEO Optimization, Cross-Browser Compatibility, Debugging, Performance Optimization

## SOFT SKILLS

Problem Solving, Analytical Thinking, Team Collaboration, Effective Communication, Adaptability, Time Management, Quick Learner, Attention to Detail

## PROJECTS

**Smart Expense Tracker** | [Live Demo](#)

**Technologies:** React, JavaScript, Node.js, Express.js, Local Storage, CSS

- Developed a full stack expense management application using React, JavaScript, Node.js, and Express.js.
- Implemented secure authentication and CRUD operations for managing income and expense records.
- Built an interactive analytics dashboard with dynamic charts and a responsive user interface.
- Deployed the application on Vercel and managed the project using GitHub.

**Student Attendance Management System** | [Live Demo](#)

**Technologies:** React.js, Node.js, Express.js, MongoDB

- Built a full stack attendance management system enabling faculty to record, update, and track student attendance in real time, replacing manual registers.
- Designed and implemented RESTful APIs with Node.js and Express.js to handle attendance data operations efficiently.
- Modeled a normalized MongoDB schema to store and query student, course, and attendance records reliably.
- Developed role-based UI views in React.js to streamline distinct workflows for administrators and faculty members.
- Deployed and hosted the application on Render, ensuring consistent uptime and accessibility for end users.

## SYRA AI | [Live Demo](#)

*Technologies: HTML, CSS, JavaScript, Python, Flask, Firebase Authentication, EmailJS, AI API Integration*

- Developed an AI-powered chatbot web application using HTML5, CSS3, JavaScript, Python, and Flask to deliver intelligent real-time responses through AI API Integration.
- Implemented Firebase Authentication for secure user registration, login, and session management, enabling personalized chat access.
- Integrated EmailJS to allow users to send contact messages and feedback directly from the application without a dedicated mail server.
- Designed a responsive, mobile-friendly interface and optimized API communication to provide a smooth and reliable chat experience.
- Deployed the application on Netlify and managed the source code using GitHub for version control and continuous project updates.

## Sethu Farm | [Live Demo](#)

*Technologies: JavaScript, HTML, CSS, SEO*

- Developed a bilingual (English/Tamil) agricultural business website using HTML5, CSS3, and JavaScript with a responsive and user-friendly interface.
- Integrated AI-generated promotional videos to enhance product presentation and improve user engagement.
- Implemented SEO best practices, including Google Search Console verification, sitemap.xml, robots.txt, and Open Graph metadata to improve search visibility.
- Optimized website performance and mobile responsiveness to provide a fast and consistent user experience across devices.
- Deployed the website on Netlify and managed source code using GitHub for version control and continuous updates.

## INTERNSHIPS

---

### AI Powered Full Stack Development Intern — Iconix Software Solutions, Tirunelveli

- Developed AI-powered full stack web applications using modern frontend and backend technologies.
- Integrated AI APIs into web applications to implement intelligent features and improve user experience.
- Built responsive user interfaces and implemented backend functionality for dynamic web applications.
- Performed application testing, debugging, and deployment while using Git and GitHub for version control and collaborative development.

### Web Development Intern — THE SKYBRISK

- Developed and maintained responsive web pages using HTML, CSS, JavaScript, and React.js.
- Translated UI/UX designs into functional, cross-browser-compatible web components.
- Participated in code reviews and applied feedback to improve code quality and maintainability.

## CERTIFICATIONS

---

- Full Stack Development Course — Simplilearn (2026)
- AI Powered Full Stack Development Internship — Iconix Software Solutions, Tirunelveli (2026)
- Web Development Internship — THE SKYBRISK (2026)

## EDUCATION

---

### Bachelor of Engineering (B.E) - Computer Science and Engineering

Sardar Raja College of Engineering

Affiliated to Anna University, Chennai

Graduation Year: 2026 | CGPA: 7.80 / 10.00

## LANGUAGES

---

Tamil — Native | English — Professional Working Proficiency
